

SHARADA LABELS

Manufacturers Of Printed and Woven Labels.
A complete Labelling Solutions.

LABELS

01 *Printed Labels*
Specialised in flexo Printing
With High quality and better services.

02 *Woven Labels*
Computerised woven label machinery
To make your brand A BRAND.

Printed Labels

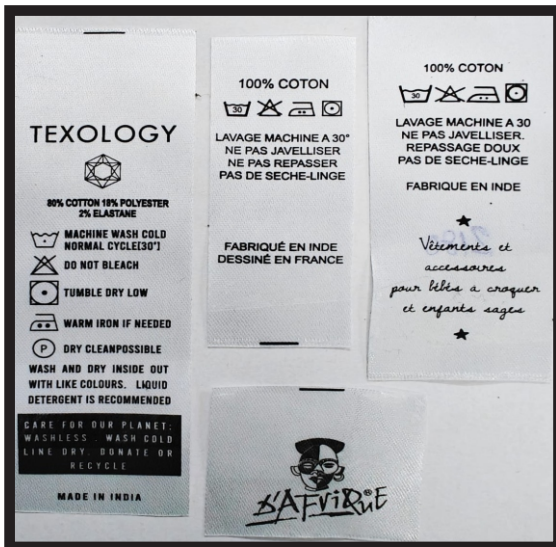

- Taffeta Printing
- Satin Printing
- Cotton Printing

Printed fabric labels can be used for branding and incorporating important information such as garment size, style and wash care instruction. Brand identification team provides retailers and brands with the convenience of managing the international translations of care and content instructions including symbols requirements for American, European and Chinese and other global standards.
